DR. MAULANA KARENGA
CREATOR OF KWANZAA

"Kwanzaa comes each year as a special season of celebration, meditation and commitment. It is a season which brings to mind and sets in motion the ancient and uplifting practices of our ancestors gathering together in joyous and thankful harvest celebrations of the good in the world: the good harvests of fields and forests, the good of family, friends and community, and the good of life and the living of it fully."
