"It is a fundamental teaching of Kawaida philosophy that we African people must understand and assert ourselves as *chosen* and *challenged* by both heaven and history. And in this regard, we say no other people are more chosen, elect, holy or divinely endowed than our own, and likewise, no history or narrative is more sacred or serves more as a source of lessons and light than our own."

Dr. Maulana Karenga
Kawaida and Questions of Life & Struggle
